Parents/Caregivers, school staff and the representative sample of students are encouraged to take part in this year’s School Opinion Survey and share their opinions about what this school does well and how this school can improve.
School Wide Positive Behaviour

- Be Safe
- Be Respectful
- Be Responsible

Our current focus:

Be Respectful: Be a good listener and wait your turn.

Stop, Think, Do!

We have been continuing to learn about social skills using the Stop, Think, Do program.

Students are reminded to Stop the Bad Habits - Stop and think of the red traffic light if they begin to feel upset or angry.

Access details for the Parent/Caregiver Survey have been sent home with students—these are not linked to individuals, and you cannot be identified in the survey results that will be reported back to the school, or by the department.

Parents/caregivers are welcome to complete their survey online at the school. The survey will remain open until 3 August 2014.

If you haven’t received any survey access details by the end of this week, please contact Mrs Fletcher on telephone 07 4569162 or email the.principal@lowmeadss.eq.edu.au.

School’s Tree Day

Thank you to all of the help we had on the gardening day at school last term. Our gardens are looking much more lovely and the students are enjoying tending to them.

We have been invited to attend an excursion to the Bert Hinkler Museum with Wartburg State School. This excursion will support our History unit this Semester. The excursion is on Friday 1st August and will cost students $10 to attend.
