

Investing for Success

**Under this agreement for 2017
Lowmead State School will receive**

\$5,100*

This funding will be used to

- Employ quality researched teaching and learning strategies which ensure all students in Year 3 and Year 5 achieve and or exceed National Minimum Standard (NMS) in Numeracy and Reading in 2017.
- Provide quality and researched student support learning programs in Reading and Numeracy for those who are not on track to reach NMS.

Our initiatives include

- Providing quality in service processes that will ensure best practice in all classrooms, specifically in the areas of Literacy and Numeracy.
- Employing differentiation strategies that will provide opportunity for students to extend their learning.
- Employing additional teacher aide hours to assist with intervention programs to support students identified as not reaching NMS.
- Reviewing localised Numeracy practices and ensuring all teachers are using warm up processes and engaging in the Regional Mathematics website.

Our school will improve student outcomes by

- | | |
|--|---------|
| • Purchasing quality Reading / Numeracy resources which create opportunity for student engagement. | \$600 |
| • Ensuring quality support strategies which enhance individual student improvement i.e. teacher - aide hours to assist with intervention programs. | \$4,000 |
| • Engaging community engagement opportunities to ensure further consolidation of student learning and positive relationships. | \$100 |
| • Providing quality and researched teaching strategies to ensure the Prep to Year 6 are receiving world class instruction i.e. Professional development to enhance teaching capacity of staff. | \$400 |
